

Parents,

On Thursday, May 20 for our Graduation/End-of-Year Program, the preschool will have a nursery available for the younger siblings of our preschoolers. It will be staffed by paid, trained church nursery workers. This service will be complimentary to you so that you may fully enjoy the program. Just complete the bottom of this page if you intend to use the nursery, so that we will be completely prepared with important information about your child(ren). Please return this form as soon as possible. Thanks!

G.E.P.
